Army Housing: Local Search For 100 Homes Continues

The search for homes for army officers and wives on the Peninsula, which is still continuing, has brought to light a navy lieutenant living on an Atherton estate who is willing to let an army officer and his

wife use his guest house—free of charge.

One hundred homes still are needed for these army men and their families between South San Francisco and Palo Alto, according to Harry Love, Redwood City real estate agent. The officers for the most part want to rent furnished homes from \$50 to \$30 a month.

Love said another Atherton party has offered a 2½-acre estate with an eight-room house and two bath houses to an officer for \$30 a month. The owner and his wife are home only on week ends.

Some army wives still are hard to please, Love said, but homes are being provided for many of those who are not so particular. Sgt. J. T. Smersh is stationed in Redwood City in an effort to find more homes. He may be contacted at Love's office.

Radio Property Transferred

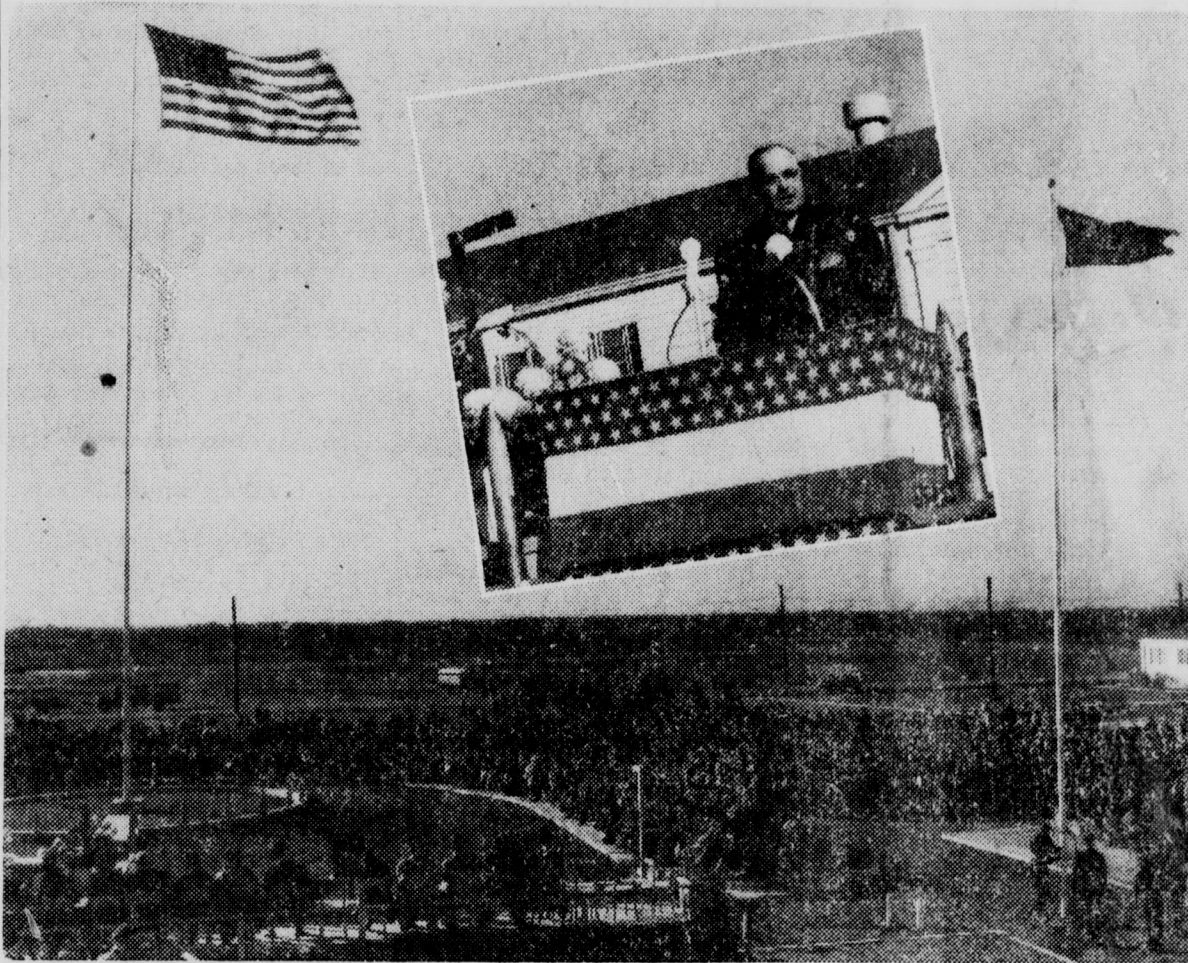

A double transfer of property on which radio station KPO is located between Bayshore Hwy. and the bay near Belmont, had been recorded in County Recorder T. Clark Rice's office today by California Pacific Title & Trust Co.

Harbor Development Corp. granted the General Electric Co. 34.56 acres, and the General Electric Co. in turn deeded all but 12.28 acres of the property to National Broadcasting Co., Inc. No money was involved in the transfers, the deeds show.

National Broadcasting Co., Inc., already owns the KPO building on the property. Radio station KGEI is located on the General Electric Co. property.

Nightly sudsing for stockings is very important to remove perspiration quickly from the delicate silk or nylon fibers.

Plant Wins Army-Navy 'E' Flag

Lewis H. Brown, president of Johns-Manville (inset at top) addressing employees of the J-M Service Corporation at Parsons, Kan. The occasion is the formal presentation of the Army-Navy 'E' flag to workers of the Kansas Ordnance Plant, operated by a Johns-Manville subsidiary. The flag, visible at the top of the staff at the extreme right, had just been raised when this photo was taken. More than 3000 employees of the bomb and shell loading plant, designed and constructed by Johns-Manville engineers, shared in the celebration. Pointing to the fact that "only through the type of real co-operation given to industry by the Ordnance Department are such achievements as we are celebrating today made possible," Mr. Brown said, "I hope that you can all see with me, and believe with me, that no job is too hard, no goal too distant for a free American people, if the power of our government can be teamed in time of peace with the tremendous resources and genius of American industry."

Plague: County Redoubles Efforts Against Infection

Reappearance of bubonic plague in human beings was reported this week at Yreka where state public health and local medical authorities disclosed that they had treated a single case with some success with sulfadiazine. Bubonic plague last appeared in the Siskiyou County area in 1941 when two children contracted the disease and died.

In San Mateo County, according to Agricultural Comr. Max J. Leonard, efforts are being redoubled to wipe out the plague infection in ground squirrels.

State Department of Public Health agents are trapping field mice in the area of the army dog training center at San Carlos and the first laboratory tests have been negative, he said. Trapping is continuing today.

Nearest area to the dog training center known to be infected with plague is 2½ miles away, Leonard disclosed, and by virtue of concentrated extermination work the squirrels in this area

are practically non-existent.

County agricultural department employees are continuing the carbon bisulfide poison program in an effort to reduce the wild squirrel population throughout the county to a minimum.

Leonard speculated, however, that the field mouse, now flourishing in large numbers, may be a factor in maintaining the reservoir of plague bacillus in rodents.

The Yreka victim is Donna Mae DeRose, daughter of Mr. and Mrs. Manuel F. DeRose of Hawkinsville. She is reported to have improved considerably after receiving large doses of sulfa drug, but is still not out of danger, according to Associated Press. Ordinarily bubonic plague is 60 per cent fatal and no specific cure has been developed.

Several years ago sulfanilamide was used unsuccessfully in a California case. In recent years a serum has been used to treat the disease and the army is employing a vaccine as a preventative.

War Takes Local Youth On Nov. 8

War department officials Tuesday made their first report in this war of the death of a Redwood City native.

Reported dead was Patrick E. Leahy, 23, Sequoia High School football player in 1936 and 1937, who was killed in action in the Africa area. He is the son of Mr. and Mrs. John F. Leahy, 519 Chestnut St.

The telegram said Leahy, a private in the infantry, was killed Nov. 8, the first day of the attack by American troops on Axis positions in North Africa.

After leaving Sequoia Leahy attended San Mateo Junior College and then enlisted in the army and was sent to Hawaii. Returning from there in August, he visited his home and then was shipped to four U. S. continental posts before going abroad.

His parents were prostrated with grief, and a doctor was called to attend Mrs. Leahy, members of the family said.

In addition to his parents, Private Leahy leaves two brothers, Jack Leahy of 1520 Middlefield Rd., and James Leahy, a Sequoia pupil now living with his parents.

His father is a foreman in a Redwood City war industry plant.

"Gentleman Jim" at Sequoia

Alexis Smith, who loves Errol Flynn, in "Gentleman Jim," the Fox Sequoia Theater Christmas show, seems to be wondering just how the famous Jim Corbett is going to fare in his famous bout with John L. Sullivan. The picture is centered in San Francisco in the 80's, and vies with "Careful, Soft Shoulders" on the Thursday, Friday and Saturday run.

Home Production Vital--Leonard

The recent WPB order setting aside half of the 1943 pack of canned fruit, juices and vegetables for military and lend-lease needs emphasizes the importance of home gardens and home preservation of food, Agricultural Comr. Max J. Leonard said today.

Every victory garden, whether on a farm or in town, adds just that much to the total food supply of the nation and relieves pressure on commercial production and transportation facilities, Leonard pointed out. Because of the climate here, San Mateo County residents are more favorably situated for the raising of winter gardens than those living in more northern climates.

Government bulletins and other advice and information on farm gardens may be obtained by writing to the Extension Service, College of Agriculture, Berkeley. At a later date, Leonard said, the county Home Food Production Committee hopes to put in a supply of these publications for local residents.

Woodside Firemen Fight Ranch Blaze

Woodside firemen extinguished a roof fire Monday at the superintendent's cottage on the Mariani Ranch located on Upper Portola Rd. off the Los Trancos Woods Rd. Firemen estimated damage from the blaze, which was caused by a chimney fire in a defective flue, at \$150.

What You Buy With WAR BONDS

The hand grenade is one of the most effective weapons used by our Army and Marine Corps. The "pineapple," as it is called, was used extensively during World War I and we must have them available in huge quantities. A delayed action fuse sets off the grenade a few seconds after the firing pin is pulled and the handle released.

The hand grenade costs about \$1.50 . . . so even your purchase of War Stamps in the smaller denominations will buy them for the Army and Marines. But your investment of at least ten percent of your income every payday is necessary to adequately finance the war effort. Buy War Bonds from your bank, postoffice, radio stations, and at some retail stores.

The light that shall never fail!

There will be a Christmas wherever our boys are. The lighted tree will be there, too—real or envisioned.

Somehow this tree symbolizes the ideal for which they are fighting—democracy's determination—that the light of Faith and Freedom shall not perish from this Earth.

You can count on it, our boys will observe their Christmas as good Americans. Boys, now turned men, who not many years back thrilled to the big package under the lighted tree at home. Or whooped in delight at a football suit or a surprise bicycle suddenly appearing from secret hiding.

Like their fathers of another war, they will make sure that there is no dim-out of the brightness of Christmas for them. They will share Christmas in new-made comradeship. They will share Christmas as big brothers from America to put sparkle back into the eyes of war-sadened children in foreign lands.

Light your tree at home in dedication. Share your Christmas with a boy in service. Buy War Bonds in remembrance. Keep buying War Bonds that the light of Faith shall never fail. Buy War Bonds that no hand will be empty when a fervent voice says—"Praise the Lord and pass the ammunition."

Southern Pacific Gathers Scrap

More than 360 million pounds of scrap metal have been collected by Southern Pacific Co. during the past year in the railroad's campaign to aid the national scrap drive, it was made known today.

If loaded in freight cars at the rate of 100,000 pounds per car, this material would have filled 36 trains of 100 cars each, or three such trains per month, it was pointed out by A. S. McKelligon, general storekeeper, who is in charge of the company's scrap program.

Not included in the figures, McKelligon added, are more than 50 million pounds of second-hand rail, nor millions of pounds of tie plates, angle bars, spikes, bolts and other materials which were reclaimed for re-use.

"Although scrap-saving has been a practice of long standing on Southern Pacific lines, the company has intensified its program since last December," McKelligon said, "and new practices are constantly being adopted to further increase the railroad scrap pile."

"For example, motor car tracks at section tool houses have been replaced with wooden rails; all rail used as supports of any nature has been replaced; metal thresholds, cast iron posts and, when practicable, metal fencing around stations have been removed."

"The mechanical department has changed over some 450 items formerly made of brass or aluminum to castings or forgings made of less essential metals."

Co-operating with the WPB, Southern Pacific is carrying on a continuous campaign with all employees, urging them to save scrap at home as well as at work.

Menlo Park Firemen Extinguish Bus Blaze

MENLO PARK — Menlo Park firemen extinguished a minor fire in a Greyhound bus at 1:15 o'clock Monday. Started on a northbound bus near the Santa Cruz Ave.-El Camino Real intersection, the blaze was caused by electric wiring which ignited from heat from an improperly released emergency brake, firemen said. After minor repairs the bus was able to continue its trip.

Boy meets girl... both meet 7-Up... and that's a friendly gathering. 7-Up, the "fresh-up" drink, is welcome wherever friends meet. It's a good companion on any friendly occasion!

Dorothy Roberts Revue Tonight

Resident Manager Miss Shirley James, who is operating the Redwood Theater under direction of Hal Honore, Redwood City manager for Fox West Coast Theaters, announces that the Dorothy Roberts Stage Revue will be presented at her theater, tonight only, at 8:45 p.m.

This stage show, which has been a local event at every Yuletide Season for many years, will once again present 60 charming local kiddies in songs, dances, and acrobatic numbers.

On tonight's program, there will be one screen attraction only, namely, "The Talk of the Town," with Cary Grant, Jean Arthur and Ronald Colman. On Saturday's program there will also be a Roy Rogers Western, entitled "Ridin' Down the Canyon." On both tonight and Saturday's program will be a Walt Disney cartoon.

NOTICE OF TIME APPOINTED
FOR PROBATE OF WILL
No. 10369

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of JOHN CAPELLA, Deceased.

NOTICE IS HEREBY GIVEN that Monday, the 28th day of December, A. D. 1942, at 10 o'clock a.m. of that day, and the Court Room—Probate Department No. 1 of said Court, at the Court House in Redwood City, in the County of San Mateo, State of California, have been appointed as the time and place for proving the will of John Capella, deceased, and for hearing the application of Alfred D. Corda for the issuance to him of Letters Testamentary thereon. Reference to said petition is herein.

By made for further particulars, W. H. AUGUSTUS, Clerk. By MURA B. STILES, Deputy Clerk. (SEAL) KINCAID & FITZPATRICK, Attorneys for Petitioner, Redwood City, California. Dated December 7th, A. D. 1942. (Endorsed) Filed Dec. 7, 1942. W. H. AUGUSTUS, Clerk. By MURA B. STILES, Deputy Clerk. Published in the Peninsula Beacon Dec. 11, 18, 25, 1942.

Knifing: Sergeant Jailed

SAN CARLOS — Because he objected to a sergeant's language, Pvt. Lionell Boutte, stationed at the San Carlos army dog training center, Monday in Mills Memorial Hospital suffering from knife wounds on the head and groin.

San Carlos police said there evidently had been an argument before Boutte objected. In any event Sunday Night Sgt. Ernest Nance, 38, and Pvt. Boutte and Ernest Keeling dropped into the University Creamery, 1216 San Carlos Ave., for a sandwich.

During the course of the snack the sergeant, according to the police, used "strong" language with one of the waitresses and, when Boutte objected, drew a six-inch hunting knife and slashed the private three times on the head and one on the groin.

Pvt. Keeling disarmed the sergeant at this point and then both soldiers attempted to staunch the flow of blood from Boutte.

San Carlos police rushed the injured man to Mills Hospital where attaches said today he was resting and in no danger of his life.

The sergeant was taken to the county jail in Redwood City, booked en route to military police.

WHITTAKER RETURNS

Lt. James C. Whittaker was back in Burlingame today on a 30-day furlough. A reception and luncheon in his honor was given at the Burlingame Woman's Club House sponsored jointly by the Burlingame Rotary Club and the Burlingame Chamber of Commerce this week.

Advertising exists because it is the most economical way ever devised to stimulate mass sale of goods, according to the Department of Commerce.

Meeting: Committee Head Appointed For Annual Chamber of Commerce Event

Neal Van Sooy will be chairman of the general arrangements committee for the annual Redwood City Chamber of Commerce dinner meeting, Carl E. Ward, chamber president, said today. The meeting will be conducted Jan. 13 at the Sequoia High School cafeteria.

Van Sooy will head a committee composed of the eight presidents of organizations co-operating with the chamber for the meeting. He also will introduce N. J. L. Pieper, special agent in charge of the San Francisco Federal Bureau of Investigation of-

rice, who will be principal speaker.

Organizations co-operating with the chamber for the dinner are the Woman's Club, the Business and Professional Women's Club, the Exchange Club, the Kiwanis Club, the Lions Club, the 20-30 Club, the United Veterans Council and the Junior Chamber of Commerce.

Also appointed by Ward as committee chairmen for the function are A. C. Argo, dinner; Ray L. Spangler, publicity; George L. Solari, tickets; Duncan

Reynard, reception; and Charles G. Lambert, music.

Two members from each of the eight co-operating organizations will serve on the reception committee.

Meanwhile, chamber members were preparing to mark ballots for the annual election. Roscoe Wyatt, chamber secretary-manager, said today that the ballots would be placed in the mails within a few days and that members may vote either by mail or by bringing their ballots to the chamber office in the city hall.

New Difficulties Arise In Army's Hunt for Homes

The task of finding homes for 138 army officers and their families, moved to a peninsula station last week, took on new difficulties this week, it was disclosed by Harry Love, Redwood City real estate agent.

Love said an unexpectedly large number of furnished apartments and homes had been listed in the campaign to quarter the army officers, but that equally unexpected difficulties are being experienced in satisfying landlords and tenants.

"You know, the wives of these army officers are just as particular as if there were no housing shortage," Love disclosed. "It took a Woodside ranch home to satisfy the wife of a colonel."

Some landlords are equally particular, he pointed out. One owner, a woman, insisted that the tenant be single, a man of

good habits, and of no lower rank than captain.

Another insisted that if an officer and his wife were to rent the quarters, the wife must not smoke.

The greatest need is for furnished four- and five-room homes to rent at \$50 to \$75 monthly, Love said.

Meanwhile, San Mateo County home owners who have been renting living quarters to persons in this area for the racing season at Bay Meadows were asked today by Louis Lengfeld, chairman of the county's new War Housing Center, to register vacancies with his office for immediate occupancy by war workers.

South Carolina, with less than 5000, has fewer foreign-born residents than any other state in the Union.

E.P.A. Veterans To Be Entertained

Redwood City Veterans of Foreign Wars Auxiliary, the San Carlos American Legion Auxiliary and the Federated Women's Clubs of Santa Clara and San Mateo Counties are among organizations taking part in the Christmas holiday program at Veterans Administration, East Palo Alto.

A series of parties, picture shows, dances and church services will be held between now and Christmas day. Several events for the veterans already have been held. Greetings will be extended from various veteran organizations throughout the holiday season.

On Christmas day protestant services will be held with special Christmas music at 8:10 a.m., and at 9 a.m. Catholic services will be held. At 10 a.m. veterans service organizations

Exchange Club To Give Christmas Show

Redwood City Exchange Club will present its annual Christmas show for children at Sequoia Theater Monday at 10 a.m., it was announced this week at the club's annual Christmas party. Dr. W. B. Langston, in charge of the Christmas show, said a wartime innovation would be admission by war stamps only. Children will be asked to purchase a war stamp at the theater, Dr. Langston pointed out.

The club's Christmas party this week at Johnny's Cafe drew a near record attendance, according to J. A. Buhler, chairman. Guests of the club were Dr. E. Didier Mervy of Redwood City and William O'Keefe of San Mateo.

WYATT RECEIVES SCROLL

Roscoe D. Wyatt, chamber of commerce secretary - manager, has received a scroll marking him as a 25-year member of the National Assn. of Commercial Organizations Secretaries.

will bring cheer to their comrades. A motion picture will be shown at 1:30 p.m.

Scout Membership Reaches New High

As response to recent appeals for leadership by scout officials and the Tribune brings several new men to head Redwood City troops and cub packs, a new membership record for the city was announced Monday by Louis Dematteis, district chairman. With the successful formation of the 13th Scout Unit in Redwood City, Cub Pack 43 of the Central School, sponsored by the Native Sons of the Golden West, total boy membership for the year reached the new all time record of 723 cubs, scouts and scouters.

Under the leadership of Organization Chairman Louis Christensen four new troops were organized in the city this year, jumping membership from 550 to 723 members. This brings the county total to 4350 boys in 83 different troops.

Washington's government is headed by three commissioners, appointed by the President to three-year terms at \$9000 annually.

The oldest labor union in the United States is that of the cigar makers.

MONTGOMERY WARD

"isn't this a stunning two-piece dress!"

Indeed, yes! For it, like all Ward dresses, has the flattery and versatility you want... plus a sparkle that puts it in a class by itself. Just look at its good fit, its soft drapery rayon crepe fabric, its graceful lines, careful seaming. These are details typical of all Wards quality styles. Would you have thought you could find such a dress for as little as 10.98? You can, at Wards, in black, colors. 12-20.

Bygones To Head Housing Group

Perry Bygones, Burlingame banker whose home is in Redwood City, was named chairman of the 12-man committee forming the San Mateo County War Housing Committee at an Tuesday in the Hillsborough headquarters of the defense council. Harry Davis was named vice chairman.

Louis Lengfeld, whose appointment as manager had been previously confirmed will continue in that capacity.

Donald Kirby, Homes' Use Director of the Regional Office of the National Housing Administration, spoke to members of the committee, citing the acute need for lodgings in this area.

Kirby asked that all private homes with spare rooms be converted, so that they could take care of those needing housing.

The Maoris, native race of New Zealand, are Polynesians whose forebears migrated from the Eastern Pacific several centuries ago.

First units completed of the new \$13,000,000 U. S. Maritime Commission War Apartments Project at Richmond finds these shipyard families hurrying to move in. Of the 500 buildings being constructed, made up of units of 8 to 13 apartments each, 240 buildings will be erected by Oliver M. Rousseau of San Francisco, at a cost of \$5,000,000; all completely furnished and landscaped. Rousseau, who has built some \$10,000,000 in dormitories, apartments and other buildings for the U. S. government this year, had the first war apartment ready for families to move in, within exactly 14 days from starting construction.

Postmaster Urges Early Card Mailing

Robert E. O'Connell Jr., Redwood City postmaster, today asked local residents to mail their Christmas cards as soon as possible instead of waiting until the last minute.

"Local Christmas cards—one of the most difficult problems because of the public's habit of mailing them in a last minute deluge—have started to move, but in only small numbers," O'Connell said.

Wartime burdens make it essential that the peak of mailings be far earlier than in normal times, he pointed out.

American Trust Awards Bonus

Mr. James K. Lohead, president of the American Trust Company, today announced the action of the Board of Directors, declaring the usual Christmas bonus of half a month's salary to all officers and employees of the bank.

Glass for bottle-making is composed chiefly of silica, soda and lime.

Redwood City

S. C. Man May Be Dead

SAN CARLOS—David H. McKee Jr., San Carlos marine and the son of Capt. and Mrs. David H. McKee of San Carlos, who was reported missing in action last week end, probably is dead, according to a marine officer who contacted the family.

On Oct. 12 young McKee wrote his parents telling them he was to obtain a furlough from the Solomon Islands where he was stationed and asking the parents to save newspaper clippings concerning the action in the islands so that he could read them on his return.

As he boarded the vessel for the return trip a bomb struck and when the smoke cleared, the marine officer told the parents, McKee and a dozen others had been knocked overboard. Unable to find a trace of him, the marine corps considers him dead.

Word was first received on Thanksgiving Day that he was missing. The further information was received yesterday from an officer now in a San Francisco hospital.

McKee, 21 last April, joined the marine reserve four years ago and attended the Curtiss-Wright Technical Institute at Glendale before reporting for duty last January.

While in school, he attended junior high school in Oakland, Palo Alto Military Academy and Drew Preparatory College in San Francisco. His father, who has been a marine for 36 years, is now stationed in the paymaster department in San Francisco.

The young marine was the youngest of three children. A sister, Mrs. C. P. Gray Jr., lives in Oakland and another sister, Mrs. James C. Lindsay, lives in Hawaii.

Masonic Lodge Installs Officers

Redwood City Lodge 168, Free and Accepted Masons, started its 80th year Saturday with the installation of 1943 officers. Henry W. Potts was installed as worshipful master, succeeding Raymond G. Kelly, Potts' father, the late Henry Potts, was master of the lodge in 1919.

George W. McNulty was installed as tyler of the lodge for the 24th consecutive year, and Dr. Norris C. Cummings, past master, started his 16th term as treasurer.

The other officers: A. W. Russell, senior warden; Clarence J. Holt, junior warden; Walter W. Hilton, secretary; Theodore M. Cole, chaplain; Arlington E. Rishel, senior deacon; Charles Y. Ingram, junior deacon; Raymond G. Kelly, marshal; Otis M. Carrington, organist; Paul F. Houseman, senior steward; and Samuel B. Saboff, junior steward.

Past Master A. E. Lueger was master of ceremonies for the installation ceremonies and music.

This year the holiday season finds millions of our fellow-citizens in the armed forces, millions more in the factories and shipyards who serve those gallant men at the front.

There is no finer Christmas gift that can be sent to our fighting forces than the greatest output possible of planes, ships, and supplies, bringing Victory closer.

The Long Distance lines of the Nation are serving this gigantic program by handling a tremendous number of calls, the greatest in telephone history.

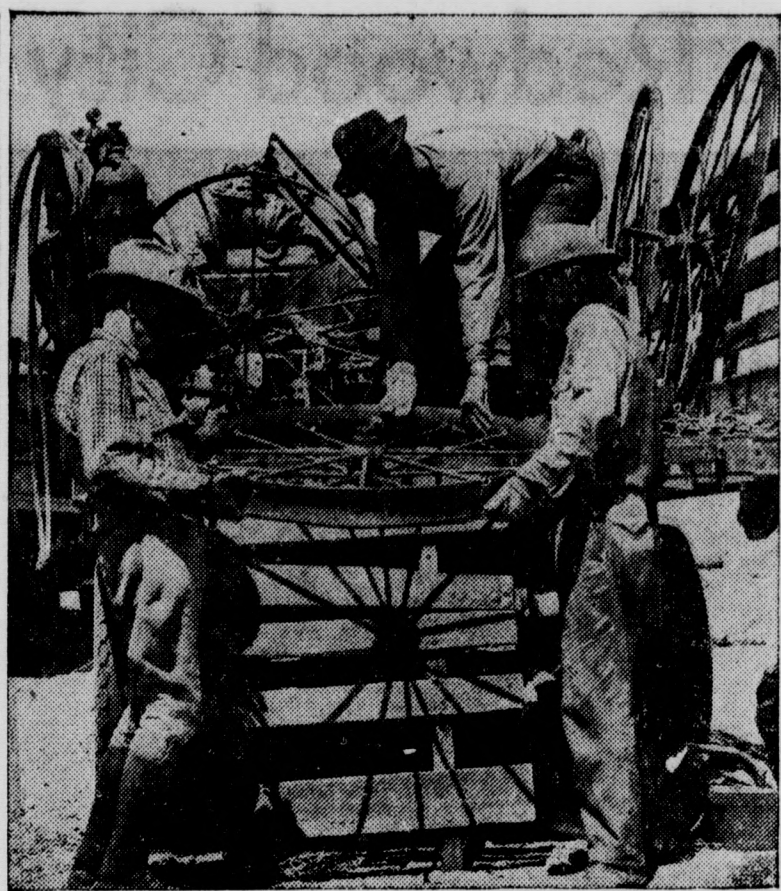

Big as it is, the network of Long Distance lines has no margins this year for purely personal calls; nor can more lines be constructed. The copper and other materials that would require are needed still more by our fighting men.

In recent months, your co-operation in keeping Long Distance calls to the essential has helped to keep these lines clear for war calls. We ask now that you continue this assistance, over the holidays especially. To war-busy centers, please make only calls that are necessary.

We appreciate your friendly help and understanding.

"The Victory Loan Drive is on—will you invest in our National security through the new Victory Loan?"

THE PACIFIC TELEPHONE AND TELEGRAPH COMPANY
723 Middlefield Road — Telephone Redwood City 1234

These iron wagon wheels were part of 34 tons of scrap donated by the Ferretto Brothers to the scrap campaign and shown being loaded into trucks at the Ferretto Ranch on the Carson River, east of Dayton, Nev., for trucking to a collection depot. Note the acetylene tank aboard the truck for cutting up the larger pieces into hunks small enough to drop down Hitler's throat.

MENLO PARK NEWS

BY D. E. O'KEEFE

James Douglass, wife and charming daughter, Fannie, are visiting friends over the holidays. The visitors are from New York. The young lady is engaged to a Stanford professor and after the marriage, sometime after the first of the year, they expect to make their home in Stanford Park.

Owing to the war, there will be no public Christmas tree celebration in this city. The day will be quietly observed at small parties in the home circle.

The new Menlo Park Theater will be formally opened next week with a fine program of music and comedy. The playhouse is one of the finest on the Peninsula.

A committee will soon be appointed to arrange a program to celebrate the completion of the highway through the city. A well known local orator will eloquently tell of the advantage to be gained by advent of the new thoroughfare.

For several days this week the Timothy Hopkins estate was visited by large flocks of sea gulls, feeding on the newly plowed fields. Weather prophets maintain that this is a sure omen of a rainy season.

After the first of the new year was under direction of Carrington.

there will be several business changes in Menlo Park. At least two new firms will be established on the main street.

There was a large flight of ducks to the local marsh this week. Hunters report good shooting, all securing the limit. Teal and widgeon are very plentiful. Only a few mallards have arrived.

George Walsh is here on a short furlough with his parents. He is an ensign at San Diego and expects to go to sea in a short time.

REYNOLDS' TRIAL SET
Trial of Edwin M. Reynolds, 32, Woodside butcher accused of causing the death of his wife, Josephine, at their Woodside home Oct. 10, today had been set for Jan. 19 in Superior Judge A. R. Cotton's court in Redwood City.

The largest river in New Zealand is only 80 miles long.

Red Tape Delays Port Work

Thoroughly ensconced in a welter of navy red tape, the Port of Redwood City may not be able to again service navy cargo ships for more than 60 days, Edmund Scott, port commission chairman, said this week.

The navy withdrew its ships from the port Dec. 4, when officers said cargo handling facilities there were inadequate to meet demands.

At that time, Scott said, officers assured port commissioners that every aid would be given the commission in its attempt to purchase needed facilities. Port Mgr. A. A. Moran predicted that within 30 days the port would again be aiding navy shipments.

Since then, Scott continues, the commission has been shuttled from navy department to navy department obtaining evasive answers and no help in its search for priorities needed to make the purchases.

As the matter now stands the commission has been to the navy port department, the navy priorities division and is now back to the navy port department, still without any sign of a priority.

Scott predicted that it would now take 60 days from time of priority to purchase the loading facilities needed to comply with navy demands.

R.C. Man Hurt In Jump from Train

George C. Magann, 46, 1414 Main St., Redwood City, is in a San Mateo hospital with a broken left leg suffered when he attempted to jump from a moving railroad train Sunday at 10 a.m. near the railroad-Maple St. intersection.

Although railroad authorities were not notified and police had no record of the incident other than that Officer S. E. Douglas had taken Magann home and then made arrangements to take him to the hospital, Magann said he had fallen asleep on the train and had attempted to jump when he saw he had missed his stop.

Your rugs will last longer if they have professional cleaning once a year.

Associated Press Pictures Appear Daily in the Redwood City Tribune

THE FLYING SPLIT JUMP—Sailing through the air above the ice at Madison Square Garden, New York City, is Betty Atkinson, as she executes a flying split jump. She's in an ice follies opening there soon.

KEEPING FIT DURING LONG VOYAGE—Exercises like these are needed to keep sailors fit during a long voyage. Here sailors on the fantail of a cruiser get a workout under direction of bos'n's mate standing on ventilator.

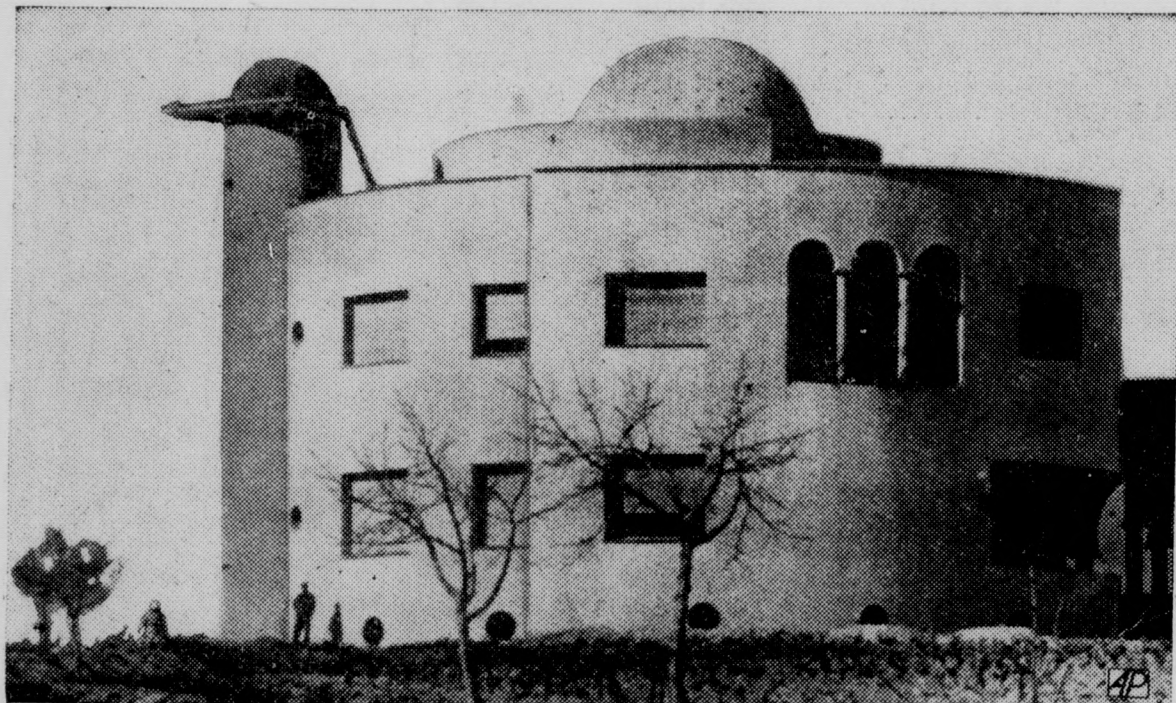

HOUSE OF POWER—This Shasta power plant in northern California, a city block long and seven stories high, will soon generate power for growing west coast needs.

GIRLS IN STRIPES—Novel striped swimming suits worn by Joy Loveland (left) and Alberta Gold (right), both of Miami Beach, Fla., drew attention at a Los Angeles, Calif., pool. Joy wears two-piece and Alberta one-piece outfits.

BASEBALL HELPS THEIR AIM — Giants' Johnny Mize and Phils' Si Johnson show pheasants shot in Illinois to wives. Left to right: Mize, his wife, Johnson, his wife.

FRENCH CALL IT FORTRESS—Italian colonists in French Tunisia build "farmhouses" like this one. French said they were built to be converted into fortresses.

TIMELY READING—A British Eighth Army soldier lying under a truck in the Egyptian desert reads a book about the possibilities of the post-war world. He got the book from a mobile library. This is an official British picture.

LUCKY MISSOURIAN—Miss Emile Hensel (above) of St. Louis, Mo., winters in the sunshine by a Los Angeles pool.

SUGGESTION FOR OPERA—Helen Jepson (above), Metropolitan Opera soprano, models this long-skirted New York evening creation suitable for wear at the opera. The bodice is of flesh pink silk satin, the long billowing skirt of black silk and rayon chantilly-type lace. The gown has the formal, restrained "covered-up" look expected to be popular this winter.

Commuters: Club Members Seek Synchronization Of Redwood City Bus Service with Train Schedules

BY JOE CABOOSE

Redwood City's local bus service was "on the pan" at last Tuesday's dinner meeting of commuters. Principal complaint was lack of attempt to synchronize bus schedules with arrivals and departures of commuter trains.

The public, it was pointed out, is willing to tolerate any service disruptions or dislocations that will further the war effort; but the war should not be used as an excuse to cover up careless or indifferent service.

"Most commuters," as one member put it, "are doing very important war work too, and it is important that they be served with as little inconvenience as possible. To see an empty bus pull away from the station just as a train pulls in, makes you wonder how much effort is being made to serve either the public or the war."

Other members defended the bus service and thought it was "pretty fair" considering the difficulties under which it operates. No doubt it has problems that are not apparent on the surface. At any rate, the club's transportation committee was instructed to look into the matter, consult with the management, and if necessary the city fathers to see what could be done about synchronizing schedules with trains.

The Caboose Trophy (one slice of sugar-cured ham) goes this week to Charley Mish, charter member, for his unbroken attendance at all club meetings and functions.

A deluxe volume—"Sub-Treasury of American Humor"—autographed by 50 or more commuters, was presented to Mrs. Chester Armstrong as a token of appreciation for the way she handled the job of club secretary which her husband recently resigned. (The Boy Scouts should be hearing some fresh jokes from here on!)

Echoes of the Christmas party... Pat Frayne, our newest member, explaining the heart-breaking duties of the draft board... and his promise not to draft Joe Corbett or Bill Curran... Norman Meyer and Ross Winchester... flashing that old Toastmaster Club technique when called upon far a "few words" by President Ross... himself a reformed toastmaster...

Herb Whitacre, long-time San Carlos member, thanking his first meeting... thanks to Walter Harden and Lloyd Liebman who "drug" him there... Charley Seeley, another San

Carlosan (original copy read "San Carlouse," but Mrs. Caboose blue-penciled that) was also there...

A vague recollection of meeting a "Mr. De Martini"... or was it Mr. Manhattan? (Curran would know). We don't recall the face, but the breath was familiar...

Wrex Cruse coming toward us with one arm around President Elmer and the other around Lou Winkender... whereupon we took the pledge again for the duration...

Wishing we could look and act... and always be as gentlemanly... as members Paul McCarthy and O. M. Van Duyn, who lend substance and dignity to any meeting. (They publicly complimented this column... which makes them intelligent as well!)

Armstrong Heads Baptist Group

Ted E. Armstrong this week was elected president of the reorganized Baptist Brotherhood at a dinner meeting at the First Baptist Church. Other officers chosen to serve until April were Otto Tallent, vice president; L. T. Gateley, secretary-treasurer, and D. F. Gatchel, chorister.

Ronald S. Anderson, Sequoia High School instructor who formerly taught in Tokyo, told the group of 34 men present that there must be a Pacific Charter as well as Atlantic Charter if there is to be a world peace. He said that in Japan the military men are the "top men." He stated that Hitler might "crack" in 1943, but that he did not think Japan would. The Japanese morale is high, he said.

Motion pictures of the world conflict were shown. Paul Paise had charge of the showing. Wayne MacAdam was chairman of the evening. Gatchel had charge of program arrangements.

M.P. Council Seeks Volunteer Workers

The Menlo Park Defense Council today issued an urgent call for volunteer service in all phases of defense work. The council asks both men and women to register for work as air raid wardens, auxiliary firemen and policemen and fire watchers.

Now located in the city hall, the defense council is open from 8:30 a.m. to 4:30 p.m. Mrs. Katharine Henry, secretary of the council, is in charge of the defense council office.

Microfilm photography of 1,500,000 life-insurance record cards recently resulted in a 99 per cent saving of storage space.

Guido Simoni and "Whistle" McKenna letting their dinner get cold while they argue over a pinocchio hand that was unfinished when their train pulled into Redwood City...

Bill Dobbyn, pianist; Jack Muller, banjoist; and Jack Welch, violinist... giving out with their usual good music. (How those boys can play!)

Adin Kimberly, Martin Levy, Jim Saboff, Treasurer Brizee and Secretary McKeegan getting well-deserved recognition from the chair for faithful services rendered...

From the minutes... John Brand, still absent on account of illness, was honored in a resolution passed by unanimous standing vote, for his loyal devotion to the club's projects and activities...

McNutt Issues Restraining Order

Judge Maxwell McNutt in superior court at Redwood City has restrained San Bruno Police Chief William Maher from enforcing a new city ordinance which makes it unlawful to operate a commercial poultry slaughterhouse within the city limits.

Application for the order was made by Norman C. Paine and John Inocci, partners in the San Bruno Poultry & Egg Co., who claimed the new ordinance would put them out of business. They claim to have an investment of \$5500 and a payroll of \$250 weekly.

The poultry firm buys live poultry and prepares it for retail, the petition pointed out. The city ordinance, effective yesterday, would make such an operation punishable by a fine of \$300 or imprisonment for 90 days, or both.

Judge McNutt made the temporary restraining order returnable Jan. 11 at which time Chief Maher will be required to show cause why the temporary order should not be made permanent.

Macauley Dedicates Maritime Academy

Capt. Edward Macauley of Hillsborough, maritime commissioner and deputy war shipping administrator, this week dedicated the West Coast's largest maritime training academy at Avalon, Santa Catalina Island. By Jan. 15, he predicted, the academy, which trains merchant deckhands, engine room oilers, wipers, firemen, tenders, and stewards, cooks and bakers, will have an enrollment of 1800.

Captain Macauley pointed out that each new U. S. ship requires 43 men in addition to navy-provided gunners.

Steve Werner, appointed junior sergeant at arms, replacing McKeegan, elevated to secretary...

We were saddened last week to learn that "Spike," the Great Dane dog that always greeted us at the tum Suden estate in Emerald Lake, had passed on. Only 7 years old, Spike died of a heart attack. Which reminds that we almost did the same the first time we met Spike head on... only to find him (after our blood began circulating again) one of the kindest and gentlest of pets. We grew very fond of the big lumbering Spike, and at the first tum Suden barbecue for commuters we had our picture made with him, and we'll have to admit Spike was the handsomest dog of the two. We'll treasure that picture now more than ever.

Bowman admitted beating the child, who was slapped about the face so seriously that it was cut and bruised. The complaint against Bowman was signed by Mrs. Jewell Foster of Colma, the baby's aunt in whose care the child had been left by its mother.

Kansas is the greatest wheat state in the United States, producing nearly twice as much as its runner-up, North Dakota.

Bowman To Serve Six Months Term

Glenn R. Bowman, 19-year-old Daily City truck driver accused of brutally beating his 10-month-old stepdaughter, Margaret Hattan, today had been sentenced to six months in the county jail at Redwood City, following denial of probation.

Bowman was sentenced by Judge Wade H. Clay in South San Francisco yesterday. His probation was denied on recommendation of Probation Officer Francis Robinson. He was given credit for 23 days already served in jail.

Bowman admitted beating the child, who was slapped about the face so seriously that it was cut and bruised. The complaint against Bowman was signed by Mrs. Jewell Foster of Colma, the baby's aunt in whose care the child had been left by its mother.

Kansas is the greatest wheat state in the United States, producing nearly twice as much as its runner-up, North Dakota.

S. P. Announces Promotions

Sherman K. Burke has been appointed general traffic manager for the Southern Pacific Company, with headquarters at Chicago, and D. J. McGanney has been named assistant vice president, system freight traffic, according to word received by local representatives of the railroad.

Burke, who has served as assistant vice president of freight traffic since 1940, will have supervision of freight and passenger traffic for Southern Pacific in the middle western, eastern and southeastern states.

McGanney moves up from freight traffic manager of the company's central district to take over Burke's former duties. His headquarters will remain in San Francisco.

Along with the advancement of Burke and McGanney, Vice President W. W. Hall, in charge of system freight traffic, also announced promotions for F. C. Nelson and L. A. Brockwell. Nelson becomes freight traffic manager, central district, and Brockwell takes over Nelson's former position of assistant to the

YMCA Clubs Plan Special 'Y' Day

Plans for a special "Y Day" Dec. 26 have been made by representatives of Y Clubs who met at the Methodist Church to plan inter-club activities for the near future. It has been announced by YMCA officials. Football and basketball schedules are being drawn up, it was stated.

Represented at the meeting were Knights of the Triangle by Glenn Carlson, William Lawrence and Walter Harrington; VVC by Howard Bogle; Lincoln Minute Men by William Winkender and Seymour Abrahams; San Carlos Flying Tigers by Ed Brown and Theodore Anderson; San Carlos Junior Hi-Y by James Brown and Owen Hall; LF Club by Franklin Thomas and Richard Buell; KOTS Club by James Mathews; STM Club by Rother Baer and Lewis Bradshaw. James A. Batchelor, YMCA secretary, also attended.

CLUB PLANS RITUAL. Members of the Happy-Go-Lucky YMCA Club under direct freight traffic manager in charge of rates and divisions.

tion of Principal Ben A. Leese, leader of the group, devoted its last meeting to preparation of a new ritual it was announced by the YMCA today. Members of the group include President Peter Rodriguez, Vice President Richard Reese, George Stevens, Robert Biddle, Lee McClue, Lloyd Lovell, John Imbernon, James Johnson, Albert Lopez, Manuel Lara, Charles Townsen and William Aston.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

BUSHELS OF BOTTLES

Jeff Donnell, film player, aids the dairy industry in its December drive to recover stray milk bottles, cases and cans. According to the Department of Agriculture, delivery of milk to California's increased civilian and armed force population hinges on the return of these containers.

Defense Drill: Manager Terms Practice Successful

The civilian defense drill conducted by all members of emergency defense units in Redwood City Tuesday night was termed an "unqualified success" by City Mgr. Robert W. Mead.

Mead said that incidents, organized and planned by department heads within the organization, provided enough for all volunteers to undertake and that all had appeared well satisfied with the results.

"It proves," Mead continued, "that while the organization still

needs a lot of work, it at least functions properly."

Auxiliary firemen doubled up in answering the 15 incidents allowed by Mayor Floyd Granger and in that way all were able to take part. Working without the direction of Fire Chief Mark E. Ryan and Dep. Joseph Lodi, both of whom were stationed at control centers, the auxiliary nevertheless properly performed its functions, Ryan said.

Viewing this week's drill were City Councilmen Evans A. Fletcher, Louis Jenkins, George McNulty, Carl (Ike) Britschgi and W. W. Hilton.

Meanwhile, it became known today that Mead has ordered a monthly report from each organization department head, explaining functions undertaken and progress made by each branch. In this manner Mead will have in his possession at all times a running account of activities.

CONDUCTS SERVICES

Rev. C. H. Gatchell of Redwood City this week conducted funeral services in Santa Cruz for Mr. and Mrs. Richard Kershner, who died in an apartment in Los Angeles Sunday when a gas jet was left on in their room. The couple, each about 24, formerly lived in Santa Cruz. The Kershners were long-time friends of the Gatchell family.

Afghanistan has a general election of nearly a mile.

Good Future for WOMEN BUS DRIVERS

Women between 21 and 35, at least 5 ft. 4 in. tall are now offered training with pay to drive local buses in S.F. Bay area with these advantages:

- ★ Complete equality with men drivers in pay and seniority rights.
- ★ Medical care.
- ★ Hospital service.
- ★ Group health and life insurance.
- ★ Pension and retirement benefits.

Apply in person at address below; or write, furnishing photograph if possible, giving age, height, weight and driving experience.

SAFeway Christmas Food Guide

The Best Christmas Dinner Ever

Here is a Christmas dinner planned to add special sparkle to your holiday season. Items such as cranberry sauce and holiday pudding may be made ahead of time, and stored until the day of the feast. It saves precious last-minute rushing. And shopping early for the rest of the dinner saves time, too.

THE BEST DINNER EVER

Roast Turkey or Chicken
with Sage Stuffing
Extra Stuffing Giblet Gravy
Baked Hubbard Squash Buttered Beets
Spiced Pear with Cottage Cheese
garnish with Parsley
Whole Cranberry Sauce
Hot Cloverleaf Rolls Jam
*Holiday Pudding
with Hard Sauce
Nuts Coffee

HOLIDAY PUDDING

1 1/2 cups flour
1 tsp. soda
1 tsp. salt
1 cup cinnamon
1/2 cup cloves
1/2 cup shortening
1 cup brown sugar
firmly packed
2 eggs

1 cup grated raw carrots
1 cup finely chopped citron or citron substitute
1/2 cup finely chopped candied lemon peel
1 cup seedless raisins
1 cup finely chopped walnut meats

Sift flour, measure, and sift again with soda, salt, and spices. Cream shortening. Add sugar gradually, creaming well. Add unbeaten eggs one at a time, beating well after each addition. Add carrots and potatoes. Dredge fruit and nut meats in 1/2 cup of flour mixture. Add flour to shortening mixture gradually, beating well after each addition. Combine with fruits and nut meats, stirring until blended. Fill well-greased 1 1/2-quart mold two-thirds full, cover tightly and place on rack in kettle. Fill kettle with boiling water to 1/4 depth of mold. Cover kettle and steam 3 hours, or until done. Add additional water as needed. Serve hot with hard sauce or a foamy sauce.

CHRISTMAS DINNER WITH SIMPLICITY THE THEME

This week's Family Circle Magazine gives menus for Christmas dinner—buffet style and the traditional table feast. Get your copy free at Safeway—a new issue out every Thursday.
